The session 2016-17 witnessed the overwhelming enthusiasm of the students and their increased desire to learn.

This year, the students engaged themselves in totally new concepts like paper mache moulding and organizing a stall/shop in the carnival. As time has progressed, a gradual positive change has been seen the learning attitude of the students.

I wish that our students will exemplify discipline and sincerity in the times to come.

### बेटी

चम-चम करता ताज है बेटी।  
हमको तुझ पर नाज है बेटी।।  
मीठी बातें प्यारी बातें दिल को भाती सारी बातें।  
खन-खन करती पायल है तु।  
एक सुरीला साज है बेटी।  
चम-चम करता ताज है बेटी।  
हमको तुझ पर नाज है बेटी।।  
चेहरा तेरा भोला-भाला, फैलाता हर ओर उजाला।  
तुझसे ही है घर की रौनक, खुशियों की आवाज है बेटी।  
चम-चम करता ताज है बेटी।।  
भली लगी तेरी किलकारी मानो दुनिया झूमे सारी।  
कानों में गुंजन करती वो एक मधुर आवाज है तेरी।।  
चम-चम करता ताज है बेटी।  
हमको तुझ पर नाज है बेटी।।

## विद्रोह के स्वर

जितना है साल का बजट तेरा पाकिस्तान, उतने का हम यहाँ घास फूस लेते हैं।  
जितने का बम और गोला तेरे पास रखा, उतने दिवाली पर फटाखे फूँक देते हैं।  
जितना है खून तेरी जनता में भरा हुआ, उतना हमारे यहाँ मच्छर चूस लेते हैं।  
जितना तू बढ़ चढ़ बोलता है पाकिस्तान, उतने यहाँ आंवारा कुत्ते भौंक लेते हैं।  
जितना भी धुंआ तेरे कारखाने देते होंगे, उतने का साधुजी चिलम फूँक देते हैं।  
जितने की दाल रोटी खाते पाकिस्तान वाले, उतना तो हम पान खाकर थूँक देते हैं।

## Education

Education is such a weapon which can help in fighting against all ills. It has the potential of changing the whole world socially, economically and physically. By following the virtues and behaviour of an educated person, others also develop a positive attitude towards learning. Gradually, the whole world will be made up of learned people. Thus, the whole world will be revolutionized. Thus, this thought turns out to be very true- "Education is the most powerful weapon which can change the world."

### वृक्षारोपण

आदिकाल से वन मनुष्य की आवश्यकताओं की पूर्ति करते आ रहे हैं। पेड़ हमारे लिए बहुत उपयोगी होते हैं। पेड़ों से हमें साँस लेने के लिए ऑक्सीजन मिलती है। पेड़ बारिश लाने में उपयोगी है। पेड़ों की पत्तियों, फूल, फल, छाल आदिल से बहुत सी दवाईयाँ बनती है। पेड़ों की लकड़ी से कागज भी बनाया जाता है। पेड़ों से मिलने वाली लकड़ी फर्नीचर, खिलौने, घर आदि बनाने के काम आती है। पेड़ों की सूखी लकड़ी का उपयोग ईंधन के रूप में होता है। ये विभिन्न पशु-पक्षियों के निवास स्थान होते हैं। पेड़ मिट्टी के कटाव को रोकते हैं। इसलिए हमें पेड़-पौधों को काटने से बचाना चाहिए और उनकी रक्षा करनी चाहिए। हर जन्मदिन पर एक वृक्ष लगाएँ, भारत को हरा-भरा बनाएँ।

धन्यवाद!

### नमन से होता है सफलता में गमन

नमन का शाब्दिक अर्थ होता है - झुकना, प्रणाम करना, नतमस्तक होना, समर्पण करना। नमन खाली भौतिक जिन्दगी में ही काम नहीं आता। ईश्वर परमात्मा, परम पिता, सुप्रीम पावर सभी नमन करने वाले को अपने गले लगाता है। आपका व्यापारिक शत्रु हो, अपनी गलतियों से पैदा किया हुआ शत्रु हो, किसी भी प्रकार से आपने शत्रुता पैदा कर ली हो, उसमें आप शामिल है या निर्मित है या कारण है नमन शत्रुता को मिटाने में ब्रह्मास्त्र है। शास्त्र में लिखा है - क्षमा मांगते समय भी नम्रता का सहयोग मिलने से एक अलौकिक परिणाम आता है। दो मनो की कलुषता का अंत होता है। एक नया अध्याय आरम्भ हो जाता है। खाली गागर जब तक झुकती नहीं जब तक उसके अन्दर नीर आकर नहीं समाता। झुकते ही वह नीर से लबालब हो जाती है। यदि मन झुकना सीख ले तो मन रूपी खाली गागर को परमात्मा खुशियों की सौगात से भर देगा।
